FLORIDA AUTOMOTIVE, SPEED AND TRUCK EXPO

National Performance Warehouse (NPW) is proud to announce a new concept in warehouse trade shows.

On January 10, 2010 NPW will host the first annual Florida Automotive, Speed and Truck Expo at the Broward County Convention Center in Ft. Lauderdale, Florida. As in previous NPW trade shows, there will be more than five hundred Auto Parts jobbers, Speed Shop and Truck Accessory store owners attending. However, in addition this year more than two thousand professional installers, race teams, car, truck and off road club enthusiasts, and others associated with the automotive parts and accessory industry will also attend.

The FAST Expo will give manufacturers the opportunity to show new product and present their product lines to thousands of buyers and installers.

Please complete the form below to reserve your booth.

Manufacturer _____
